SECOND ASSISTANT SECRETARY
MAY 1955
AGRICULTURE DEPT.

Copy of Welcome Address presented by the President and Members of the Panchayat Board, Vittal, South Kanara, to Sri M. Bhaktavatsalam, B.A.,B.L., The Honourable The Minister for Agriculture, Government of Madras.

On behalf of the citizens of the Vittal Panchayat, and on behalf of the people of this whole area comprising thirty villages, we, the President and Members of the Vittal Panchayat Board, extend to you a warm and cordial welcome on your visit here to day.

xx xx xx

4. As an additional facility for the agriculturists of this comparatively large and progressive region, we request you to sanction the opening of an agricultural depot in this town. Just at present, th people of this area have to go to Puttur, Kasargod or Mangalore as the case may be, to get their requirements of seeds, manures and pest-controlling apparatus or chemicals. This is a serious inconvenience, while a depot in Vittal will be a correspondingly great convenience. We may also assure you that the depot, if opened, will have a large value of business and engage the full time of the staff appointed.

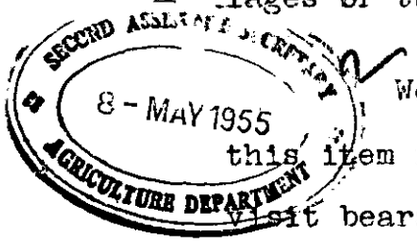
CENTRAL DEPATCH BRANCH
Date ... Despatched ... Initials

(Translation of the Kannada Petition attached)

Welcome Address presented to Sri M. Bhaktavatsalam, Minister for Agriculture, Government of Madras, by the President and the members of the Vittal Panchayat, South Kanara District.

Honourable Minister,

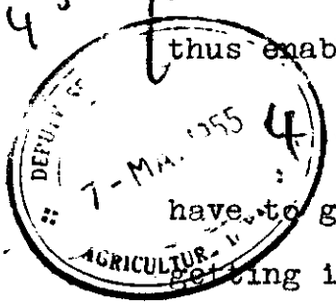
We, the President and members welcome you on behalf of the Vittal Panchayat and on behalf of the people of 30 villages of this Panchayat.



We are highly grateful to you for having included this item in your busy tour programme of South Kanara and this visit bears ample testimony to the enthusiasm you have evinced in social and economic activities and it has made us extremely happy.

The main item of your programme is to visit the Central Arecanut Research Station here. Arecanut is the chief commercial crop of this area. *** *** ***

We entrust this infant research scheme to your care and hope that you would nurse and foster it as a mother would do her child, and thus enable it to carry on its functions effectively.



We beg to submit that the agriculturists of this area have to go, at present, to Puttur, Kasaragod and Mangalore for getting improved seeds, manure, agricultural implements and other requirements. Therefore we request you to issue orders for opening an agricultural depot in Vittal to cater to the needs of the agriculturists of this area.

This place being the centre of 30 villages, is also in need of a veterinary hospital and therefore, we request that orders may be issued to open a veterinary hospital in this place.

We pray to God for your sound health, prosperity and long life.xxx.

Vittal
22-4-1955.

The President and the members
of the Vittal Panchayat.

Sub: Agriculture - Agricultural Department - reorganisation - [illegible] District - Vittal - Request for posting an Agricultural Demonstrator - requested.

Ref: Government memorandum No.43379-BI/55-1 dated 9-5-55.

pp3-4 above

Vittal is situated in Puttur Taluk where there is already an Agricultural Depot. As Vittal is only 8 miles from Puttur, I do not consider it necessary to open a depot at Vittal when there are several villages situated far away from Puttur and the ryots of Vittal may conveniently obtain their requirements from Puttur Agricultural Depot.
